*FOR IMMEDIATE RELEASE* September 10, 2012

The Upper Shore Regional Council (USRC), an economic development and planning agency for Cecil, Kent, and Queen Anne's Counties is partnering with the GIS Department of Washington College to update its Harvest Directory brochure and on-line mapping tools. On Wednesday, September 12, 2012, from 6:00-8:00 p.m. the Council and the GIS Department are inviting agriculture based businesses to come learn more about the free marketing assistance afforded by this project, and to offer feedback about how these tools can best assist them with selling and marketing their products. The meeting will be held at the Queen Anne's County Government Building located at 160 Coursevall Drive, Centreville, MD, in the large conference room. We invite all who own or have an interest in an agriculture-based business to attend the meeting. Lightfare will be served. Please contact Doris Mason or Jessica Brennan with questions, or for more information at (443) 282-5607.
